

## Bootcamp Terms & Conditions

### Bookings

Bookings can be made up to 1-hour before the start of a scheduled group session. Bookings are taken on a first-come first-served basis up to the maximum allowed number of participants for that group session

### Fees

All group sessions are £6 per person per session, bookable via <https://www.fit-kidz.co.uk/make-a-booking/>

### Payment

Payment is required at point of booking, unless immediate payment is made a booking does not guarantee your place on a group session and so will not be deemed a confirmed booking. Payment can be taken online by debit or credit card (via Stripe) during the online booking process (<https://www.fit-kidz.co.uk/make-a-booking/>). Alternatively, you can pay by bank transfer (via 'Local' payment option online)... bank details will be given during the booking process, please make a note of these before completing your online booking

### Cancellation / Refunds

Payments can ONLY be refunded, or transferred to a future group session, if more than 24-hours cancellation notice has been provided. If Fit Kidz cancel a session (due to inclement weather or for any other reason), a full refund or a transfer of your payment to a future group session will be offered. Non-attendance or non-participation = no refund!

### Participant numbers

Group sessions will only go ahead if we have a minimum of 3 participants.

### Policies & forms

Please review all our policies and forms which can be found at <https://www.fit-kidz.co.uk/fit-adultz-fit-famz-forms/>. ### Loyalty Scheme (bulk bookings)

Our loyalty scheme allows you to pay upfront for 10 group sessions (£6 per session, £60 total payment, bookable and payable via our online system). Once you've attended 10 group sessions you will receive a free group session. Attendance at any of our outdoor group sessions will contribute to the 10 pre-paid group sessions. The 10 group sessions will need to have been attended within 4 months of your initial payment, non-completion within this 4 month period will void the free group session opportunity. Group sessions will still need to be booked via our website <https://www.fit-kidz.co.uk/make-a-booking/> with all bookings made contributing towards the 10 group sessions paid for upfront.
